Watch the Demo Crew in Action!

If you are interested in witnessing part of the demolition process, the company has informed me that people are more than welcome to come and watch. There are minimum distance requirements that must be followed, so please, for the safety of all, listen to anything the demolition crew tells you. Fr. Paul asks that you inform him if you wish to pay a visit to the work site, just so he knows what is happening. Thank you in advance for your prayers and cooperation! *(If you do not make it in person, don't worry!...the crew is providing us with a time-lapse video of the entire process, so we will have a record of it!!!)*

Please Pardon Our Dust!

As we prepare for major projects occurring with our physical plant, please excuse the mess in the narthex and general disruption to parish life over the coming weeks.

What's Happening This Week?

Demolition is on hold...again...due to miscommunication on the part of the utility companies. Stay tuned for details and dates and continue to pray for the safe and speedy resolution of this project.

O Mary, Mother of God, as you are above all creatures in heaven and on earth, more glorious than the Cherubim, more noble than any here below, Christ has given you to His people, firm bulwark and protectress, to shield and save sinners who fly to you. Therefore, O Lady, all-embracing refuge, we solemnly recall your sweet protection and beg the Christ forever for His mercy. Amen.
