Adventu

< (Fr. Paul's little brother, Matthew)

Fr. Paul Age 12

This past week, the demolition crew found some paperwork in the rectory that they felt should be salvaged and gave it to Father Paul. Among the papers was an issue of the Eastern Catholic Life dated June 28, 1998. Pan'i Alissa began looking through the paper wondering aloud if Paul would be pictured anywhere. Lo' and behold, on the second to the last page she spotted a wee Father Paul at Altar Server Camp.

Do you know what this means?? Father Paul has been hiding out in the OLPH rectory for over two decades! How's that for divine intervention??
